## ADMISSIONS PROCEDURES & APPLICATION INSTRUCTIONS

Lander College admits new students in the fall, spring, and summer semesters. Admission decisions are rendered on a rolling basis. Candidates may apply for admission at any time after completing their junior year of High School. Candidates for the fall Semester should have their application completed by **April 15th**. Candidates for the spring semester should have their application completed by **December 31st**. Highly motivated candidates may apply during their junior year as Early Admission candidates. The Touro College Israel Option has a firm deadline of May 15th for the fall semester. Applications for the Israel Option received after **May 15th** will be considered for the fall semester of the following year.

Of primary importance in determining a student's qualifications for admission are the high school scholastic record, SAT/ACT scores, and results of statewide tests such as the New York State Regents Examinations. The applicant's character, personality, and contribution to school and community life are also factors in the admission decision.

Once completed, students' applications are considered on a rolling basis until all spaces have been filled. It is to the student's advantage, therefore, to have all documents in the Office of Admissions as early as possible.

**AN APPLICATION IS CONSIDERED COMPLETE AND A FILE IS EVALUATED FOR ADMISSION AS SOON AS ALL OF THE FOLLOWING HAVE BEEN RECEIVED BY THE OFFICE OF ADMISSIONS:**

1. **Application for Admission**
2. **Non-refundable application fee of \$50.00 payable to Touro College**
3. **Transcripts of all high school and college work:** All official transcripts should be sent to the Office of Admissions directly by the issuing school. Transcripts submitted by the applicant cannot be considered official documents unless they are received by the Office of Admissions in a signed envelope bearing the seal of the school across the flap of the envelope. The student should arrange to send official transcripts of all college level work, degree and non-degree, even if he or she does not intend or expect to transfer credit. (Please Note: Transcripts sent via fax are unacceptable.)
4. **College Board Scores:** It is highly recommended that all candidates take the Scholastic Assessment Test (SAT) or the American College Testing Program examination (ACT). Students should arrange to have their scores sent to the Office of Admissions. Touro College's score report number for the SAT is 2902; for the ACT, it is 2961.

**Please Note:** Students applying for an (a) **Academic Scholarship**, (b) as an **Early Admissions candidate** or (c) as an applicant to the Lander College for Women, must take the SAT or ACT.

5. **Interview/English proficiency examination:** If requested, candidates must report for a personal interview with a representative of the College. At this time they may also be asked to take an English proficiency examination.
6. **Additional Information:** Supplementary material may be requested, if the Office of Admissions feels it would be to the student's advantage. Additional grades, testing data, or letters of recommendation are some of the items which may be requested, in individual cases.

**INSTRUCTIONS FOR COMPLETING THE APPLICATION**

**Item 3. Admission Category:**

- Choose **Freshman** if you are applying for admission after completing high school, even if you expect advanced standing for college-level work you have completed while still in high school.
- Choose **Freshman / Early Admission** if you are applying to Lander College for admission upon completion of your junior year.
- Choose **Transfer** if you have completed high school and are now

attending another college, university, yeshiva/seminary or Israeli institution.

- **Choose Visitor (Non-Matriculated)** if you do not wish to pursue a certificate or degree from Lander College, or you are presently attending another college or university and wish to register for a class at Lander College, or if you have already graduated from a college or university with a Baccalaureate degree. Please note, a student who is presently attending another college or university must provide a letter from his school's registrar stating that he is a student in good standing and that he has permission to take the specific course(s) that he intends to take. If you have already graduated from a college or university with a Baccalaureate degree, you must provide either a copy of your degree or an official transcript containing proof of graduation.

**Item 6. Indicate the division to which you are applying:** Students applying for the Touro College Israel Option must still select an option in this section.

**Item 7. Touro College Israel Option Applicants only:** Indicate the Israeli institution you intend to attend.

**Item 8. Indicate your Social Security #.** (Optional) Canadian applicants please provide your Social Insurance #.

## ADMISSIONS PROCEDURES & APPLICATION INSTRUCTIONS

### IMPORTANT INFORMATION FOR APPLICANTS TO THE TOURO COLLEGE ISRAEL OPTION

• PLEASE READ CAREFULLY •

Applicants who are considering spending a year of post-high school study in Israel at one of the Israeli institutions affiliated with the Touro College Israel Option must apply **separately** to both Touro College and the desired Israeli institution. Applicants seeking admission to the Touro College Israel Option should carefully follow the instructions included along with the Touro College Application for Admission. (The Touro College Israel Option has a firm deadline of **May 15th** for the fall semester. Applications for the Israel Option received after May 15th will be considered for the following year.)

Both Touro College and the Israeli institutions affiliated with the Touro College Israel Option maintain completely independent application and admissions processes. **Acceptance to the Israeli institution is not a guarantee of admission to Touro College.** To be eligible to participate on the Touro College Israel Option an applicant **must** be fully accepted (no credit limitations) to one of the Lander Colleges **as well as** be accepted to one of the affiliated Israeli institutions. Applicants admitted to one of the Lander Colleges on a probationary or non-matriculated basis are **ineligible** to participate on the Touro College Israel Option. If applicants admitted on a probationary or non-matriculated basis should choose to attend school in Israel, albeit **not** on the Touro College Israel Option, the Office of Admissions would be happy to defer their acceptance to Touro College until the following fall semester.

Applicants who receive a full acceptance to Touro College will be sent a *Contract to Participate on the Touro College Israel Option*. This contract must be completed, signed and returned to the Office of Admissions prior to departure to Israel along with:

- ⇒ a copy of the letter of acceptance;
- ⇒ the required registration fee;
- ⇒ tuition agreement with the Israeli institution;
- ⇒ all payments to the Israeli institution.

Financial aid from federal and New York state agencies is generally available for students who are eligible to participate in the Israel Option just as if they were attending one of the New York campuses of Touro College. **Eligibility for financial aid is neither a guarantee of acceptance to Touro College nor a guarantee of eligibility for the Touro College Israel Option.** Federal and state agencies generally take six to eight weeks to process financial aid forms, so it is advisable to complete such forms as early as possible. Students will receive a Student Aid Report (SAR) from the government and an award certificate from New York State. These documents must be submitted to the Touro Office of Financial Aid.

## ADMISSIONS PROCEDURES & APPLICATION INSTRUCTIONS

### NO STUDENT WILL BE CONSIDERED AN OFFICIAL TOURO COLLEGE ISRAEL OPTION PARTICIPANT UNTIL:

1. The student receives an acceptance letter indicating that he/she has been fully accepted to Touro College and the student fulfills all of the conditions of his/her acceptance. (Probationary and non-matriculated students are **ineligible** to participate on the Israel Option).
2. The student completes, signs, and returns the *Request to Participate on the Touro College Israel Option* form along with the required fees and documentation.
3. Financial clearance is obtained from the Office of the Bursar at Touro College.
