

Touch Lives as a Nurse

A good nurse puts the *care* into healthcare

START YOUR PATH TO EXCELLENCE AT TOURO COLLEGE'S NURSING PROGRAM. Become a registered nurse (RN) with an associate degree (AAS). The Nursing Program will prepare you for the rapidly evolving healthcare delivery system. Our nursing faculty are master's-degree-prepared educators who have worked in the field and are now eager to share their knowledge with students. The program is a full-time day curriculum that follows the Jewish calendar. Graduates are eligible to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Most courses are offered in Borough Park, Brooklyn.
