Dr. David Sandor and Associate Professor Dr. John Fisher  
help launch new Elsevier Journal**

# Health Outcomes Research in Medicine

HEALTH ■ CLINICAL ■ POLICY

Elsevier is proud to announce the launch of *Health Outcomes Research in Medicine*, a new online-only, peer-reviewed, scholarly journal in the field of health outcomes, clinical outcomes and health policy and comparative effectiveness. The editorial board will be led by Editor-in-Chief, Donald E. Stull, Jr., Ph.D., with the support of Managing Editor John Fisher, Ph.D. and Founding Editor David W. Sandor, D.S.W.

With a scheduled launch in the second half of 2009,  
**submissions are being accepted now at**
