**PLEASE CHECK YOUR MAILBOX AND
Win an Apple IPOD**

Touro College is participating in the **National Survey of Student Engagement** (NSSE). This survey will provide us with information to improve the undergraduate programs and services offered at Touro College.

About the NSSE: The NSSE is a survey specially designed for students like you to provide information about your undergraduate experience, including your views about the quality of your education and how you spend your time at Touro. The survey is being completed by a random sample of entering and graduating students. The NSSE selection procedure ensures that every eligible student has an equal chance of being chosen to participate in the survey.

Students who have been selected by NSSE are now being invited to participate in the survey.

When you COMPLETE THE SURVEY, you will be eligible to win an Apple IPOD.

If you would like to learn more about NSSE, just click on the following link to visit their website at <http://nsse.iub.edu/faq/sfaq.cfm>

If you have any questions about the project on this campus or our interest in using the results, please contact Dr. Eric Linden at 212-463-0400, ext 275.

Please remember to look for a message from me soon.
Your participation is very important to Touro.

Sincerely,

Robert Goldschmidt
Dean of Students
