APPLICATION INSTRUCTIONS

APPLICATION PROCESS

Touro College uses a self-managed procedure for applications to the Division of Graduate Studies. Applicants are advised to gather all their required documents and submit them together in one package (except GMAT and TOEFL scores which are sent directly from the testing organizations to Touro College). This has the advantage of considerably speeding up Touro's processing of applications. This application booklet provides the forms with which applicants request official transcripts of previous academic work and letters of recommendation to be returned to them in signed, sealed envelopes. Send these together with the checklist, application form, fee, and any supplemental documents (e.g., an essay), in a single envelope to the address listed on p.3.

Deadlines

All required documents must be submitted in advance of the program's application deadline. To find out a program's deadline please refer to the program's website at www.touro.edu/general/graduate.asp. Candidates are considered for admission only after all required documents have been received.

Application Components

Below is a list of items that must be included to ensure a complete application package. Please complete the *Applicant Cover Sheet & Checklist* and include with your application materials.

- ▶ **Application Form.** A completed and signed application is required.
- ▶ **Application Fee.** Applicants to programs located in the U.S. must pay an application fee of \$50.00. This can be paid by credit card (Visa, Mastercard, or Discover) or by a check or money order drawn on a U.S. bank, payable to "Touro College". Please use the *Fee Payment Form* on p.17. Applicants to foreign campuses should check with their campus admission office for fee details. The application fee is nonrefundable and cannot be credited toward tuition or any other fees. Applications cannot be reviewed or processed without the fee.
- ▶ **Official Transcripts.** Applicants must submit official transcripts of all college-level academic work completed, whether inside or outside the U.S. These are required whether or not the student expects to receive transfer credit. A transcript is considered official when it is submitted in an envelope issued and sealed by a college's Registrar office. The *Transcript Request* form in this application packet should be used to obtain transcripts. A legible photocopy may be enclosed with the application, pending receipt of the official record.
- ▶ **Translations of Foreign Transcripts.** Foreign language transcripts must be accompanied by English translations from a professional translating service.
- ▶ **Credential Evaluation of Foreign Transcripts.** An original course-by-course educational credential evaluation is usually necessary for academic work completed outside the U.S. Touro College accepts evaluations only from members of the National Association of Credential Evaluation Services. For further information please visit the Association's website at: www.naces.org/members.htm.
- ▶ **Recommendation Letters.** Applicants are required to submit recommendation letters from previous instructors or workplace supervisors. Refer to the *Additional Requirements* section on p.6 to determine how many recommendations a particular program requires. Use the pre-printed form in this package. Ask the respondent to place the letter of recommendation in a sealed envelope, to sign across the sealed flap of the envelope, and return the letter to you. Please enclose the sealed, signed, unopened envelope as part of your completed application package. Emailed or faxed letters are not acceptable.
- ▶ **Supplemental Application Form.** Certain programs listed on p.6 provide a *Supplemental Application Form* which lists specific essay topics, instructions for completion of essays, and additional questions. This form is enclosed separately.
- ▶ **Admission Tests.** Certain programs require standardized admission tests. Refer to the *Additional Requirements* section on p.6 to determine whether tests such as the Graduate Management Admissions Test (GMAT) or Graduate Record Exam (GRE) are required for your intended program. Standardized test results must be reported in advance of the program's application deadline. Please select the appropriate code when reporting your test score.

Touro College Campus	GMAT Center Code
New York	MN8-Z3-04
Berlin	MN8-Z3-63
Moscow	MN8-Z3-48

- ▶ **English Language Proficiency Tests.** If your native language is not English, or you attended an undergraduate program where English was not the language of instruction, you may be required to take the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). Refer to the *Additional Requirements* section on p.6 for programs' test requirements. Standardized test results must be reported in advance of a program's application deadline. When reporting a TOEFL test score please select one of the campus codes in the following table to ensure that the report is routed correctly. IELTS issue test scores directly to test-takers, so please enclose your test report form in the application package.

Touro College Campus	TOEFL Center Code
New York - Graduate School of Business	6737
New York - All other graduate schools	0494
Berlin, Germany	6718
Moscow, Russia	6735

► **Additional Requirements.** Certain programs require additional documents – for example, essays, résumés, copies of certifications, etc. Essays must be typewritten. Please refer to the *Additional Requirements* section on p.6 to check program requirements.

AFTER YOUR APPLICATION HAS BEEN RECEIVED

Notification of Decision

The length of the application review process varies from program to program. Applicants are informed in writing of the decision on their application. Decisions cannot be communicated over the telephone. Applications received after the deadline date are usually held for review for the next available semester.

Immunization

Applicants accepted to a program that includes classroom-based instruction in New York State need to provide proof of MMR immunization and return the meningococcal response form before they can be permitted to register for classes (as required by NY State law). Please download the forms from www.touro.edu/registrar/immunization.asp and submit in advance of registration.

International Students

Programs within the U.S. Applicants who require an F-1 visa should submit an Affidavit of Support form to the International Student Office promptly to ensure timely processing. For further information please refer to the International Graduate Student Bulletin at www.touro.edu/registrar/isb.pdf.

Programs outside the U.S. European Union (EU) residents do not require visas to enroll at the Berlin campus. Non-EU residents should visit the German consulate in their country in sufficient time to obtain student visa information.

Transfer Credit

Transfer credit policies vary by program. To be considered for transfer, graduate courses must appear on an official transcript issued by the institution where they were taken, and show a transferable letter grade received.

Deferral of Admission

Students may defer their application for up to two years from the date of application. Requests for deferral of admission must be made in writing.

Re-applicants

Applicants who applied to Touro College more than two years ago but never enrolled should use this application to reapply. The Office of Admissions retains incomplete applications and applications from those who were admitted but did not enroll for only two years.

ADDITIONAL REQUIREMENTS

In addition to general admission requirements, each program has specific requirements that are summarized below. For further details please refer to the *Supplemental Application Form* (if provided), the Bulletin or the website.
