ADMISSIONS PROCEDURES & APPLICATION INSTRUCTIONS

*Touro College admits new students in the Fall, Spring, and Summer Semesters. Admission decisions are rendered on a rolling basis. Candidates may apply for admission at any time after completing their junior year of High School. Candidates for the Fall Semester should have their application completed by **February 1**. Candidates for the Spring semester should have their application completed by **December 1st**. Highly motivated candidates may apply during their junior year as Early Admission candidates. The Touro College Israel Option has a firm deadline of July 1st for the Fall semester. Applications for the Israel Option received after **July 1st** will be considered for the Spring semester.*

Of primary importance in determining a student's qualifications for admission are the high school scholastic record and SAT/ACT scores. The applicant's character, personality, and contribution to school and community life are also factors in the admission decision.

Once completed, students' applications are considered on a rolling basis until all spaces have been filled. It is to the student's advantage, therefore, to have all documents in the Office of Admissions as early as possible.

AN APPLICATION IS CONSIDERED COMPLETE AND A FILE IS EVALUATED FOR ADMISSION AS SOON AS ALL OF THE FOLLOWING HAVE BEEN RECEIVED BY THE OFFICE OF ADMISSIONS:

1.Application for Admission

2.Non-refundable application fee of \$40.00 payable to Touro College

3.Transcripts of all high school and college work: All official transcripts should be sent to the Office of Admissions directly by the issuing school. Transcripts submitted by the applicant cannot be considered official documents unless they are received by the Office of Admissions in a signed envelope bearing the seal of the school across the flap of the envelope. The student should arrange to send official transcripts of all college level work, degree and non-degree, even if he or she does not intend or expect to transfer credit. (Please Note: Transcripts sent via fax are unacceptable.)

4.College Board Scores: It is highly recommended that all candidates take the Scholastic Assessment Test (SAT) or the American College Testing Program examination (ACT). Students should arrange to have their scores sent to the Office of Admissions. Touro College's score report

number for the SAT is 4753; for the ACT, it is 2961. Achievement Tests are not required, but if taken, will be helpful in assessing your application.

Please Note: Students applying as Early Admissions candidates or who wish to be considered for an Academic Scholarship **must** take the SAT or ACT.

5.Interview/English Placement Examination: If requested, candidates must report for a personal interview with a representative of the College. At this time they may also be asked to take an English Placement Examination.

6.Additional Information: Supplementary material may be requested, if the Office of Admissions feels it would be to the student's advantage. Additional grades, testing data, or letters of recommendation are some of the items which may be requested, in individual cases.

INSTRUCTIONS FOR COMPLETING THE APPLICATION

Item 2. Admission Category:

Choose **Freshman** if you are applying for admission after completing high school, even if you expect advanced standing for college-level work you have completed while still in high school.

Choose **Freshman/Early Admission** if you are applying to Touro College for admission upon completion of your junior year.

Choose **Transfer** if you have completed high school and are now attending another college, university, yeshiva/seminary or Israeli institution.

Choose **Visitor (Non-Matriculated)** if you do not wish to pursue a certificate or degree from Touro College, or you are presently attending another college or university and wish to register for a class at Touro College, or if you have already graduated from a college or university with a Baccalaureate degree. Please note, a student who is presently attending another college or university must provide a letter from his school's registrar stating that he is a student in good standing and that he has permission to take the specific course(s) that he intends to take. If you have already graduated from a college or university with a Baccalaureate degree, you must provide either a copy of your degree or an official transcript containing proof of graduation.

Item 4. Indicate the division to which you are applying: Students applying for the Touro College Israel Option must still select a Los Angeles division here.
