New Dean for Touro Israel

Rabbi Dr. Yitzchak S. Handel, pictured above, has been appointed dean of Touro College Israel (TCI), a program that offers undergraduate and master's level courses at its campus in the Givat Shaul neighborhood of Jerusalem.

Handel comes to Touro from Yeshiva University (YU), where he served as director of the Azrieli Graduate School of Education and Administration. He received his Ph.D. in educational psychology from YU's Ferkauf Graduate School and his rabbinic ordination from YU's Rabbi Isaac Elchanan Theological Seminary.

In addition to TCI, Touro also offers a year abroad option for its students, one of the first colleges to encourage its students to study Judaic studies in Israel for college credit.

Touro College boasts an enrollment of 23,000 students at locations in New York, California, Nevada, Jerusalem, Moscow and Berlin.
