Autobiographical Statement

Applicants are required to complete an Autobiographical Statement. This statement is a very important part of the application process. It is used by the Admissions Committee to ensure an adequate evaluation of each applicant. Please attach a double-spaced, typewritten three-to-five page statement to this application. In writing your essay, address the following points to ensure a complete account of your interest and previous experience in the field of social work.

- When did you first become interested in social work? What are the experiences – personal, educational or professional – that influenced your interest in social work?
- What family experience and/or other significant relationships contributed to your interest in social work?
- How would you describe your emotional maturity, concern for people, respect for diversity, and capacity for self-awareness and personal growth?
- Which area of social work practice do you intend to pursue? Which values do you possess that will contribute to achieving the goals of the social work profession after you graduate?
- What personal qualities and abilities do you possess that will assist you in the social work profession?
- Briefly discuss one current social issue that is relevant to a social work practice.

PLEASE BE SURE TO SIGN AND DATE THE LAST PAGE OF YOUR STATEMENT.
