TOURO COLLEGE
Division of Graduate Studies

DEAR GRADUATES,

Congratulations to the entire graduating class of 2021! It is my distinct pleasure to welcome you to our commencement exercises. We regret that circumstances do not allow us to celebrate normally. Your graduation occurs during a challenging time. The coronavirus pandemic brought all of civilization face to face with a crisis that few, if any, could have imagined. Our answer has been to persevere with confidence and empathy. In the future, we will all remember the important lessons learned from these extraordinary efforts.

Today, we honor and celebrate the culmination of your hard work and your commitment to fulfilling your dreams. Now armed with advanced degrees, I am confident that you will continue to transform your aspirations into realities. Touro strives to provide an innovative educational environment for our graduate programs that go beyond classroom instruction. It is our hope that this unique approach to graduate education has prepared you with the skills necessary to maximize your impact on the world.

Your experiences here have been enriched by Touro's mission to model the values of compassion, service and social justice, and I am confident that we have instilled in you a commitment to serve humankind. You are ambassadors of our institution, and your service to your communities will attest to the values of our mission. Now is the time to apply all the knowledge and skills you have learned at Touro and live with passion and purpose.

As alumni, you remain members of the Touro family. I invite you to join us in alumni activities, stay connected and share your stories of success with your deans and instructors so that we may continue to take pride in your achievements. You will always remain a part of Touro's legacy and future.

Best wishes,
