- 4) What decisions has your assigned State taken with respect to the health insurance marketplaces provided for under the Affordable Care Act (ACA, March 2010)? In other words, which one of the 4 marketplace types describe your state (State-based; Federally-supported state-based; State-partnership; Federally-facilitated marketplace)?
- 5) Based on the health insurance marketplace type available in your state, describe the role(s) of the State and the Federal government in the operation of the marketplace in that state.
- 6) Where do consumers in your state shop for and purchase health insurance coverage in your state? Give the specific name and URL.
- 7) States also have the option to expand their existing Medicaid program to include people originally not eligible for Medicaid. Where does your state currently stand with respect to the Medicaid expansion provided for under the ACA?
- 8) If a state chooses not to extend its Medicaid program, is it in danger of losing all federal funding for Medicaid in that state? Whether you answer “Yes” or “No” please give reason(s) for your answer.

#### NOTE

- 1) Answers should be typed and numbered to correspond to the question number and sub-divisions being addressed.
- 2) Answer sheets should indicate the group name and the names of team members present.
- 3) All answer sheets are due at the end of the class without exception.
- 4) Provide references in AMA reference style for the sources of the information you used to answer the questions.
