My signature below indicates that I understand that in order to comply with Veteran's Administration regulations, Touro University must submit registration and academic progress reports to the Veteran's Administration. Furthermore, I must report any changes in my registration status (listed below) within two weeks from the date of their occurrence. I also understand that registration changes may affect the VA Benefit amounts paid to me. A change in my registration can cause overpayment on my VA account, which I would be required to repay.

Registration changes that must be reported:
Added Classes Report the day the add becomes effective
Dropped Classes Report the last day of attendance in the class
Audit Grades Report this grade option, if I choose it. The VA will not pay for classes for which I request an audit grade.
Withdrawals Report the last day of attendance
Repeated Classes Report any class I am repeating for credit. The VA will pay for such a class only if the initial grade was an "F."
NA or Missing Grade A class with an "NA" (Never Attended) grade or missing grade will not be paid by the VA I will be responsible to repay any monies received for these classes.

I have read and understand the above statements and agree to comply.
